Communication and Language

During our play we will use our talk to communicate with adults and peers using a wider range of vocabulary.

We will sing familiar and unfamiliar nursery rhymes.

Physical Development

This half term, we will be developing movement using balance and pedal bikes.

We will be learning to use scissors correctly building on our fine motor skills.

Personal, Social and Emotional Development

We will become familiar with Brownhills Best expectations and new school routines.

We will make new friendships and become more outgoing as we gain in confidence.

Understanding the World

We will learn about different houses and homes and show an understanding of different occupations.

Nursery: Autumn 1 Learning

All About Me

Marvellous Me

My Pets

Houses and Homes

Harvest

People Who Help Us

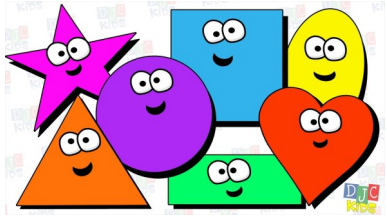
Diwali

Expressive Art and Design

We will be exploring different materials and using our own ideas to get creative.

Maths

We will be busy in Maths, thinking about different shapes in our environment and selecting shapes appropriately.



Literacy

We will be finding and recognising our names in the classroom. Children will begin to play lots of listening games as we begin our Phonics journey.

We will explore and listen to stories as we build our love of reading.
