Communication and Language

In circle time, we will spend time sharing our likes and dislikes, our hobbies and what makes us special. We will learn how to listen to each other and how to share our ideas as a class.

Understanding the World

We will learn about different houses and homes from around the world. We will learn about the people who help us and how we are all super in our own way!

Physical Development

This half term, we are starting our PE lessons! We are practicing lots of different ways of moving.

Reception: Autumn 1 Learning

All About Me

Marvellous Me

My Pets

Houses and Homes

Harvest

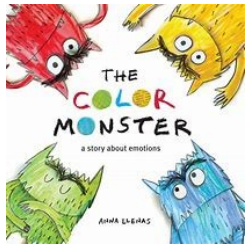
People Who Help Us

Diwali

Personal, Social and Emotional Development

We will establish school routines and make new friendships.

We are taking time to understand emotions, by reading 'The Colour Monster' by Anna Llenas.



Expressive Art and Design

We will be getting creative by drawing self portraits. We will be learning how to use paint and beginning to mix primary colours.

Maths

We will be busy in Maths, learning how to count to ten and copy repeating patterns.

We will spend time using Numberblocks to help us learn about our numbers.

Literacy

We will be practicing writing our names and learning to form letters correctly. Children will start 'Read Write Inc' phonics lessons and have a weekly phonics story.

We will read lots of exciting stories including 'Elmer' and 'The Three Little Pigs'.
